Minutes Business Meeting – OTSEM II – Helsinki 2017

The Network-coordinator Corinna Körting (Hamburg/Germany) informs about the meeting of the coordinating committee (see homepage).

A big thanks was given to the organizers of the Helsinki-meeting. They managed to offer the PhD-Students a stay free of charge!!!

A big thanks was given to Dennis Koch (Hamburg) for setting up a new homepage after a big server crash.

One other aspect has been stressed: the importance of good guidance for newcomers at the meetings through the local representatives.

The meeting was short. It ended with Aravind J. Moniraj taking a group picture.

In addition (the following meetings):

2018: Oslo (MF); 7-9 Sept (Friday to Sunday)
2019: London; 6-8 Sept (Friday to Sunday)
